

The National High School  
Climate Forum presents...

# *October 2022 National Workshop Session*

Thursday, October 27th 8:30pm ET

Register: <https://nhsclimateforum.org/events>

Featuring Jamie Margolin, Youth Climate  
Activist & Founder of Zero Hour

Jamie's efforts have brought her international recognition, including speaking at the UN, and she will be sharing advice and strategies with you all on how best to rally fellow students around climate initiatives in small discussion groups.

This event will feature a brief presentation from Jamie, followed by a workshop period with our delegates, in which Jamie will share her strategies and advice for engaging peers on climate issues.

**Hope to see you all there!**
